

# Importance & Functions of Block Monitoring & Planning Committee

Block MPC Orientation Workshop

# Roles & Responsibilities

- Consolidation of the PHC level health plans & charting out of annual health action plan for the block.
- Review of the progress made at PHC levels (difficulties faced, actions taken & achievements made) followed by discussion on any further steps required to be taken for further improvement of health facilities in the block, including the CHC.
- Analysis of records on neonatal and maternal deaths; and the status of other indicators, such as coverage for immunization and other national programmes.

# Roles & Responsibilities

- Monitoring of the physical resources like, infrastructure, equipments, medicine, water connection etc at the CHC; similar exercise for the manpower issues of the health facilities that come under the jurisdiction of the CHC.
- Coordinate with local CBOs and NGOs to improve the health services in the block.
- Review the functioning of Sub-centres and PHCs operating under jurisdiction of the CHC and taking appropriate decisions to improve their functioning

# Roles & Responsibilities

- Initiate appropriate action on instances of denial of right to health care reported or brought to the notice of the committee; initiate an enquiry if required and table report within two months in the committee. The committee may also recommend corrective measures to the district level.
- Consolidate quarterly village, PHC and block report cards and organise jan samvad.
