Subject: Technical Support for Sikkim on CAH

Madam/Sir,

Sikkim, one of the states in North East India with population 6.10 lakhs has following committees under community process namely 641 VHSNC, 31 RKS and 676 ASHAs. We have planned to impart state TOT for the District Program Managers, DEOs and RKS members at Gangtok, Sikkim on 19/11/18 and 20/11/18, followed by District TOT at four districts. Our past experience with the said activity has led us to realisation that an expert support in this regard is much needed for fruitful results.

Therefore it is with humble submission that we request support from AGCA Secretariat Team in the form of resource persons who can support us in State TOT at Gangtok and District TOT at South District which is on 22/11/18.

Thanking You

With regards,

Dr. Bimal kumar Rai
